Flush, stainless steel
cam latch opens with
screwdriver

FRONT ELEVATION

R.125 TYP.

TAPERED EDGES

SECTION DETAIL

COMBINATION HINGE

Economical and attractive access door for walls & ceilings ideally suited for apartments, condominiums and office buildings. Installation in Drywall, Plaster, Masonry, Tile or any flush surface.

1. When a door increases in size, more cams are added for security in the ceiling or wall
2. For requests on clear opening after door installed, please email info@wbdoors.com
3. All installation holes must be used for proper door functionality and security
4. For custom sizes, please reach out to info@wbdoors.com
5. Clear opening may be impeded by structural or functional parts on door
6. Drawings of any door can be requested through info@wbdoors.com
