	MAP 1850	24 x 24	24 1/4 x 24 1/4

The WB MAP-1850 Plastic Access Door is designed for walls and ceilings. High impact styrene plastic with U.V. stabilizers will not fade or corrode. Door is completely removable from the frame and fits tightly with snap latches. White finish, with textured exposed surfaces, can be left as is or painted to match the surrounding areas. Easy to install by applying caulking adhesive to the back of the frame and pressing into place.
