SPECIFICATIONS:

Patent Pending.

The **WB DW 405 Phantom™ Series** Drywall Ceiling Access Panel is a cost-effective, durable flush access panel for ceiling installation that is perfect for applications where a concealed appearance is required such as high luxury properties including hotels, apartment complexes, educational facilities, lobbies, and government buildings. Featuring lightweight, Type X fire and impact resistant gypsum board (drywall) construction, making them an excellent choice for use in residential and commercial bathrooms, locker rooms, showers, and more.

Door & Trim: 5/8" Frame and 1 inch thick door. Type X fire resistant drywall gypsum, moisture, mold, and mildew resistant.

Finish: Composed of 100% recycled PURPLE paper on the face and back side. Completely paintable.

Meets and exceeds specs of GFRG access doors.

Physical Properties:

- Entirely of drywall
- Impact resistant
- Cost effective
- Sealed edges for durability
- Moisture free and ready to match existing ceiling
- Made in Virginia - USA
