

## BABA Compliance Statement

**Williams Brothers Corporation of America is proud to confirm that our Basic 300 Series Economy Access Doors are Build America, Buy America Act (BABA) compliant.**

Manufactured with domestic stainless steel and assembled in our Virginia facility, this series fully meets BABA requirements by supporting U.S. manufacturing, job creation, and infrastructure investment. Architects, contractors, and builders who specify the Basic 300 can do so with confidence, knowing they are selecting a product that not only delivers durability and corrosion resistance, but also directly supports American workers and communities.

- Made in the USA quality, proudly fabricated in Virginia
- Compliance with BABA standards, ensuring eligibility for federally funded projects
- Trusted performance in a economy access door featuring 18 gauge steel construction, pin hinge, flush stainless steel cam latches and a paintable baked enamel finish all tested and backed by decades of manufacturing excellence

The Basic 300 Series is more than just a durable access solution. It is a product designed to align with today's project requirements for sustainability, compliance, and American craftsmanship.
