

BABA Compliance Statement

Williams Brothers Corporation of America is proud to confirm that our SMP 120 Series Surface Mounted Access Doors (No Recess Required) are Build America, Buy America Act (BABA) compliant.

Manufactured with domestic steel and assembled in our Virginia facility, this series fully meets BABA requirements by supporting U.S. manufacturing, job creation, and infrastructure investment. Architects, contractors, and builders who specify the SMP 120 can do so with confidence, knowing they are selecting a product that not only provides easy installation and durability, but also directly supports American workers and communities.

- Made in the USA quality, proudly fabricated in Virginia
- Compliance with BABA standards, ensuring eligibility for federally funded projects
- Trusted performance in a surface mounted access panel featuring a heavy-duty 14 gauge steel door and 16 gauge frame, continuous piano hinge, flush stainless steel cam latches and a paintable baked enamel finish all tested and backed by decades of manufacturing excellence

The SMP 120 Series is more than just a surface mounted access solution. It is a product designed to align with today's project requirements for convenience, compliance, and American craftsmanship.

- Access doors
- Floor doors
- Roof hatches
- Ladders
- Safety Railings
- Corner Guards
